MAKEUP ARTISTRY SHOWCASE

WESTERN CANADA FASHION WEEK: CREATING A COMMUNITY, BUILDING AN INDUSTRY

Thank you for your interest in Western Canada Fashion Week (WCFW), which was established in 2005 and has developed into a nationally-recognized fashion and design event. As the second-largest Fashion Week in Canada, WCFW continues to grow each season, creating a community of designers, stylists, makeup artists and industry professionals who shape this unique fashion, art and design experience that allows all designers to showcase their work to both buyers and clients.

Unique to WCFW, the Makeup Artistry Showcase was developed to support local companies, brands and schools. This event offers an opportunity for makeup artists to express their current vision through makeup and fashion and we invite you to participate. Our goals are to provide our Fashion Week reach and create new marketing opportunities for you to promote your business to the WCFW audience by the way of media and a New York-style runway show.

The presentation will be a runway show on a 64 x 6 foot runway. Each company, brand or school is allotted fifteen minutes for any type of creative show, including a runway presentation, platform cutting or visual presentation. Participants who work closely with us on their presentation can maximize the success of their showcase, and we look forward to collaborating with you to create a powerful event. The runway fee is \$350.00+GST per company, brand or school. Student teams can register for the Student Showcase, an afternoon show at WCFW; the entry fee is \$350.00+GST. WCFW appreciates gifts and giveaways from your company, brand or school for the audience; please contact us for more details.
